

Our Lottery

Our lottery is one of the simplest ways you can support Rowans Hospice. Collectively, lottery members make a huge difference because the money raised provides a vital regular income that helps us to care for an increasing number of patients and their families.

How it works

From just £1 per week, our lottery computer will allocate you a unique lottery number, which you will be sent in the post. Your lottery number will then be automatically entered into our weekly Friday draw. You can pay your lottery membership by Direct Debit or cheque.

Are you a winner?

Every Friday our lottery computer randomly selects 13 winners, each receiving a cash prize! These prizes are: 10 x £10, 1 x £50, 1 x £100 and a jackpot of £1000.

If you are a winner, we will send you a letter with your winning cheque – there is no need to claim your prize.

Don't forget, even if your number doesn't come up, every week you play you are helping us to care for people in your community.

Results and full terms and conditions can be checked by visiting www.rowanshospice.co.uk/lottery Results are also on display in our shops and in the Hospice and in The News each day.

Who we help

Rowans Hospice is a charity dedicated to supporting people who have been diagnosed with a life-limiting illness and their families and carers. We can be there from diagnosis, through to the end of their life and on into bereavement.

This is only possible thanks to people in our community who support us; people like you.

Rowans Living Well Centre

At the Living Well Centre, patients and their carers are supported to live as well as possible throughout their illness. With a range of activities and treatments designed specifically for them, and a team to provide advice and guidance, the Living Well Centre is a place for anyone to come at any point in their journey.

Hospice and Hospice at Home

From medication review to care in dying, our in-patient unit at the Hospice provides outstanding care to patients. For those who choose to stay at home for their final days, our Hospice at Home team provide a vital life-line to their families, providing care when it is needed.
